Your ranking results explained:

'Organic' - these are rankings for the URL (website address) you provided.

'Google+ Local' - these are rankings for your Google+ Local listing which appears in main Google results.

'Local' - these are rankings for your Yahoo local or Bing local listing which appears in main Yahoo/Bing results.

'Local'

'Carousel' -these are search results which mention your business name but aren't your website. These are usually well known directories or **'3rd Party'** sites like facebook which you are listed on. The search engines crawl these sites and show results for them in their search results.
